I'm making a splash for disadvantaged children in Kenya on 20th September at the Cleveland Pool "The children"

I will be swimming lengths of the pool in a "Swimathon" to raise much needed funds for Sunrise of Africa School, a school founded by my family in Kenya. I am a local Redlands resident.

This fundraiser, proudly supported by Rotary Redlands Bayside, is for a biodigester/septic tank, which adjoins the school's new toilet/shower block. This is vital for the increasing number of children (500 by next year), many of whom have no access to running water at home. It will help to re-use and recycle the school's precious water resources.

"The children see our excellent education as a way out of poverty. They love coming to school. Thank you so much for your support."

Corinne Corvin, Co-Founder and Director,
Sunrise of Africa School

All donations are fully tax deductable in Australia.

Please kindly mention my name at the end of the donation process so I can be advised and thank you accordingly.

I would appreciate any support you can give me. Thank you!
